

Casa Leisure EMPLOYEE OF THE MONTH AWARD

July 2012

ADRIAN BERNARDI St Clair Recreation Centre

Adrian has been at St. Clair for some time now and takes on many different roles in the centre. From customer service, vacation care, roller skating to his newest position as the Skate Coordinator. Adrian's transition into this role has been seamless and since his appointment the attendance to skate sessions and the amount of parties that have been booked is nothing short of impressive.

Many extra tasks have been handed to Adrian through his new role and every step of the way this additional responsibility has been taken in his stride, comfortably managing the extra workload. Adrian has shown excellent leadership qualities by inspiring his team to perform at their best and he has a passion for providing excellent service to not only skaters but everyone visiting the centre.

Recently Adrian demonstrated his dedication to the centre and his co-workers by covering a shift at 7pm on a Sunday night without any notice. All part of a day's work!

It goes without saying that Adrian has an excellent rapport with all of St. Clair staff during work hours and socially. Congratulations Adrian!
