

Casa Leisure EMPLOYEE OF THE MONTH AWARD

August 2012

SHARYN BOLLENHAGEN

Casa Leisure

Sharyn has been an integral part of the Casa Group for over ten years. In fact, prior to a short sojourn (and a couple more children), Sharyn was Casa's first employee. Sharyn works in the Finance Department, responsible for many things including accounts and payroll. We are fortunate that she can be counted on to always have her work done right and when it's supposed to be done, every time.

Words to describe Sharyn would be dependable, loyal, professional and committed, just to name a few. Sharyn's work ethic is beyond reproach. She does whatever is necessary to get the job done. In recent times this included working from a hospital bed and at home whilst recuperating!

Whilst Sharyn's job is seemingly 'behind the scenes', it is an extremely important part of the Company and supports the work of others within our facilities.

We thank Sharyn for her dedication and attention to detail. She is a true professional and it is a privilege to have her as part of our team.
