EMPLOYEE OF THE MONTH AWARD

September 2012

ELENA PECORARI

Alice Springs Aquatic & Leisure Centre

Elena is an extremely valuable and well respected team member at the Alice Springs Aquatic & Leisure Centre. Is there anything she can't (or doesn't) do? In addition to the customer service, administration and lifeguarding currently undertaken in her 'normal' role, Elena recently completed the Aqua instructor course and will now commence teaching Aqua-aerobics.

The fact patrons regularly ask for Elena is an indication of her strong customer focus, and like other Alice Springs staff in recent weeks, Elena has stepped up to ensure the facility operates safely and effectively for the local community. You could describe Elena as well prepared and organised, such that tasks are completed efficiently, and with a minimum of fuss. If you ask for something to be completed or followed up, chances are Elena has already done it!

We're fortunate to have quality young people like Elena in Alice Springs who demonstrate an enthusiasm for their job, and a commitment to the local community through their attitude to the workplace. Elena displays a maturity beyond her young years and is fantastic role model to other staff at the Centre. Great stuff Elena.

Congratulations to all other monthly nominees:

Joe Mammone – “Pushing me to the limit” – Personal Trainer, St Clair
